ABOUT ADC

OUR HISTORY

ADC launched in 2013 and started by building a compound in New Cairo and Sharm el Sheikh few in new cairo , and we are now expanding to the new capital , we plan to build a tower in new capital , that will have the first branded apartments in this location , offices , and commercial area .

We are planning to expand our projects by having new compounds in new cairo and west Cairo , we also plan on expand to the north coast within the next few years .

OUR STRATEGY

At ADC we plan to build a new concept of having branded apartments for the first time in new capital , and also combining it with office spaces and commercial area in order to satisfy the need of all our clients.
